15 INITIAL INCIDENT DESCRIPTION / NARRATIVE:  
[On 09/08/2018, between 2030 hours and 2230 hours, the reporting party victim and her friends were enjoying alcoholic drinks and singing at the Baranoff Tavern, 8549 Greenwood AV N. The victim, [REDACTED] 1(d), stated that she and Victim/[REDACTED] 1(d) shley were drinking Vodka sodas. They each ordered two, which they witnessed the female bartender pour. V/[REDACTED] 1(d) noted that the pours were heavy on the alcohol, but nothing else suspicious was added at the time of service. It was during their second drink that they left their table unattended to support a friend who sung karaoke. They returned and finished the second

round of drinks. V/ 1(d) remembers ordering a third, but not drinking it. Witness/ 1(d) noticed that her friends were acting out of character after the victims started drinking the 3rd cocktail. V/ 1(d) passed out and began to vomit, so SFD was called to the scene. Both females were transported to Northwest Hospital in an AMR.

V/ 1(d) began to come to around 0230 hours and asked if a toxicology could be done. She stated that she has never blacked-out before from drinking and was highly concerned that she may have been drugged at the bar. She felt like the medical staff dismissed her as just being overly drunk and gave her reasons why a drug test would not work if it was GHB. Tests were still done, per her requests. No results were available at the time of this report.

Both V/ 1(d) and W/ 1(d) attempted to report this earlier this week by walking into the North Precinct, but could not wait for a district car to respond due to the high call volume. I provided her a business card with the incident number. I asked her if she and V/ 1(d) would speak with detectives at a later date. She stated she would, so that others don't become victims.
